36 Emperor Street, Ajax, ON L1S 1M7 (905) 427-3300 - Visit us at www.clapw.org

As one of many service providers in the community for adults with developmental and/or intellectual disabilities, Community Living Ajax-Pickering and Whitby provides different service models based upon an individual's need. The level of support is guided by the supported individual's choice and their care plan requirements.

We strive to collaborate resources and when needs change beyond our scope of services, we will assist individuals in planning and moving to the next level of care, either within our Association or the broader community.

Our service is delivered by staff who will promote a professional, honest approach and ensure that the integrity of the process is upheld by being accountable for all facets of our services.
