

Update on the recruitment of the Executive Director at Community Living Ajax-Pickering and Whitby (CLAPW)

On behalf of the Board of Directors, I would like to thank those who responded to our posting for the Executive Director position and for your interest in CLAPW.

Upon reflection, the Board has elected not to consider applicants who responded to the recent posting for the Executive Director position, opting instead to a process of further assessment regarding the leadership needs of the organization to help ensure a good fit for CLAPW's evolving mission, vision, values, goals, and objectives; associated leadership attributes; and related skills.

To ensure that the organization's day-to-day operations are not interrupted while the Board of Directors assesses these leadership needs, we have extended the term of the present interim executive leadership team for up to one year. We are pleased to announce that David Pugh will remain in the role of Interim Executive Director during this time.

Joe Visconti

Board President

Community Living Ajax-Pickering and Whitby
